at the village office.

The Chairman's Corner

April is upon us with the grass turning green and the flowers beginning to come up! Signs of Spring along with one last shot of winter at the end of March. I think that's Mother Nature playing an April Fool's joke on us! Things you will see around the village: The streets are being crack sealed so there will be crews out doing this, so give them room. It will help maintain the streets. A reminder that the new tree branch burn location is just south of the village on Main Street by the sewer lagoons. This is where the state said we could locate the burn pile. Also, the water meter project is progressing and I want to thank everyone for their cooperation. It's looking like the water meters will become operational at the end of May. We have a lot happening in our village so keep the faith as we move forward. Thanks for your support.

God Bless,

John Keizer, Board Chairman

CITY WIDE CLEAN UP

When: April 5th through 15th

STERLING RESIDENTS' ONLY! Unwanted items can be disposed of in the roll off dumpsters located in the alley behind Scott's Place.

Please NO PAINT, NO TIRES, AND NO LIQUID WASTE.

A metal recycling dumpster located at the refuse site on E. Locust Street is available for appliances and other metals with all proceeds going to the Sterling Volunteer Fire Department.

Please NO PROPANE TANKS AND NO APPLIANCES WITH FREON.

For Questions, Contact Samantha Gordon at 402-866-4545.

SPAGHETTI FEED-STERLING VOLUNTEER FIRE DEPARTMENT

Sunday, April 28th from 11:00 AM– 2:00 PM

115 Broadway Street-Sterling, NE

Free will donation to go towards new equipment and other purchases as needed.

WATER METER INSTALLATION

We're coming along pretty well on installation of our new water meters. We have been reading those that are installed on a monthly basis and have helped a couple people with high usage. As a reminder, now is the time to fix that leaky toilet because that little leak adds up over time and you won't want to have to pay for that usage. The board will review rates from surrounding communities our size and be setting rates soon. If all goes well we plan to be using our meters for May's usage.

If your meter has not yet been installed or if you have any questions please contact Samantha at the Village office 402-866-4545 to setup a time for installation.

ARBOR DAY-APRIL 26TH

Arbor Day 2024 is all about ensuring our earth and the trees upon it are all happy, healthy, and growing to be as strong as they possibly can be!

We will be hosting our annual tree planting event at the Village park on Friday, April 26 with help from the Sterling Public School elementary kids.

The public is welcome to join, more information will be posted closer to the event.

The Village View can advertise local non-profit upcoming events. If a local organization has an event that they would like included in the Village View, please e-mail: Samantha Gordon @ village.sterling@gmail.com.
