

VILLAGE VIEW

July Yard of the Month Winner: Cotton and Diane Hubbard

Chairman's Corner

Summer is going quickly! It seems like we went from winter to summer in one move, and we've felt it with the humidity and temperature. Stay hydrated by drinking lots of water! It seems like we are mowing every week this summer with the damp, warm conditions. The Village asks that when you mow, **please do not throw the grass clippings onto the streets.** It looks messy and can plug drains. Also, school will be starting so watch out for the kids going to and from school. It's also a time for vacations, so stay safe and have fun!

John Keizer, Chairman

The Village has received another \$10K as an Amendment to our CCCFF Assistance Award for the community building. Progress is being made on the building. So if you haven't driven by lately, check it out!
