Month Winner:

## **Chairman's Corner**

Where has the summer gone? It seems like it happened very quickly! School has started, and the fair has wrapped up. The new community center is rising from the ground! We look forward to Labor Day as our last chance for a quick trip or event with our family. Remember the circus is in town on September 2, so get your tickets and have a great time watching the show and the animals. The Sterling Community Association is sponsoring the circus, and all proceeds go toward the community center project. Stay safe and enjoy the last days of summer and the colors of fall as the leaves turn and the weather cools just a bit. See you around town!

John Keizer, Chairman

Remember to keep an eye out for children walking to and from school as we get into the school year. Drive safe!
