The Chairman's Corner,

April is upon us which means summer is getting close! We've received some much-needed rain these last few weeks which has helped the farmers. However, it's created some problems for the SCA and the Senior Center and Village Offices. With the roof gone and problems with the insurance company there has been some severe water damage! So, bear with us as repairs take place! Also, the Board is creating a list of street improvements for this summer, so if you have input please call the office and let us know. April also has some great times of celebration and reflection with Palm Sunday and Holy Week ending up at Easter Sunday! So, my friends pray the roof project goes smoothly and take some time to reflect and enjoy the Easter season.

God Bless,

John Keizer, Board Chairman
