April 2023

Welcome to **STERLING** **NEBRASKA**

SMALL TOWN... BIG HEART

VILLAGE VIEW

The Chairman's Corner

April begins with April Fools Day and then moves to Holy Week and Easter, and then moves on to Tax Day and ends with Earth Day. That's quite a transition as we move from the foolish to the religious to the environmental. All of these events are part of life as we live out our beliefs with our families and our community. With all that's going on in our world today we need to stop and laugh and give thanks and do all we can to keep our community and world a safe and good place. Sterling is a good place to live and raise a family. Let us continue to work together into the future to keep Sterling a good place and to make it even better. God Bless,

John Keizer, Board Chairman
