The Chairman's Corner,

April begins and March ends with Holy Week this year! Celebrate spring, the warmth and your faith as flowers begin to show and the grass starts to turn green! We also begin to think about spring cleaning our abodes and our outside areas! The Village will be once again be sponsoring a cleanup weekend toward the end of April and will be once again starting the Yard of the Month program. Also, the new community center had its first major event with the Wine and Ale with over 250 people in attendance! One note of change we received is from the Locust St Bridge contractor that he will not be able to start until May because of delay due to weather in other projects! We are still looking to replace both Locust and Broadway bridges; unfortunately it will take a little longer than anticipated! So, hang in there my friends enjoy the spring and the change of seasons! Keep smiling!

God Bless! John Keizer, Board Chairman
