the coming year

The Chairman's Corner

We are coming to the end of 2022 and looking forward to 2023! It is a time of completing our tasks for this year and planning for the next! The Village Board will be developing its goals for 2023 and would like to have input from the community as to your wishes. We thank you for your support in the election and look forward to serving you for the next few years. The ½% sales tax request was not supported and the Board will abide by that decision. However, we do have the celebrations of Christmas and Hanukkah during the month of December! So, keep your focus on the true meaning of this season and look forward to the coming year! Keep smiling and looking to the future as we move together into that future!

God Bless,

John Keizer, Board Chairman
