

Volume 66

December 2023

Welcome to **STERLING NEBRASKA**

SMALL TOWN... BIG HEART

VILLAGE VIEW

**REMEMBER TO DECORATE FOR OUR
CHRISTMAS YARD OF THE MONTH**

The Chairman's Corner

December, the last month for 2023! A lot happened in 2023: we celebrated several successful events thanks to Sterling Community Association, the library had a great year serving many kids and adults, a back up generator for the well at the water tower was installed, Broadway street was reconditioned which will help it last for many years, began installation of water meters which will help with grants to improve our water system, the state required us to move burn pit out by the lagoons, streets through-out town were repaired, and began working with RJM Enterprises, LLC. on a new development. As you can see, things have been happening which will help our community move into the future with pride. Now, as December comes to a close, please celebrate Christmas for the right reason and give thanks for 2023 and look forward to 2024.

God Bless,

John Keizer, Board Chairman
