The Chairman's Corner

January is the start of a new year and I hope each and everyone of you are ready to make 2025 a great year! We have celebrated the old and now move on to the new! That is the cycle of life – we complete some things and others remain uncompleted until later in time or maybe not at all. But we are moving forward one step at a time making a difference in each other's lives. In 2024 the Village completed a new well, sealed several streets, saw the start-up of two housing developments, the pay off of the new Community Center by SCA, and rehabilitation of several homes and downtown buildings. I would say we had a pretty good 2024 and can look forward to 2025 with pride and excitement. Let's all keep smiling and be thankful for our community.

God Bless,

John Keizer, Board Chairman

Christmas Coloring Contest Winner:

ARIA WEIAND

Thank you to everyone who participated in this years Christmas coloring contest. If you'd like to see all the wonderful artwork, they are hung in the windows of the Village Office and Sterling Library downtown.

BACKFLOW PREVENTION

The village is required to educate the residents pertaining to backflow prevention by mailing out a yearly flyer. You'll find this years flyer about Protecting Your Family and Your Community provided by Nebraska Rural Water Association in with your utility billing. You do not have to return anything to us, this is for your knowledge.

Contact us if you have any questions regarding backflow prevention.

CONTRACT FOR SEWER/WATER SERVICE-SAMANTHA GORDON

Also, included in your January utility billing is a contract for sewer/water services provided by the Village. Every resident will be required to return the signed contract stating the metered water and flat sewer rates along with the responsibilities and liabilities for the homeowner or Village. Contact Samantha or a board member if you have any questions or concerns about the new form.

SNOW REMOVAL

Please help the snow plow drivers by utilizing off street parking during and immediately following a winter storm. No overnight street parking anytime after 2" of snow or until snow removal is completed if at all possible. We appreciate your help and cooperation!
