IMPORTANT REMINDER

The Village of Sterling has partnered with Southeast Nebraska Development District (SEND), to conduct a survey to gather feedback on needs within the community. The survey is a crucial part in determining the village's eligibility in applying for state and federal grants to improve our community. We appreciate everyone's response and want to note that all responses are kept confidential and anonymous and no individual data will be shared with any person, organization, or government entity, including the Village of Sterling.

CROSS-CONNECTION INFORMATION

A public water system requirement is to conduct an on-going public information program to further the public water system customers' understanding and awareness of cross-connection hazards, the types of remedies available and the need to protect the public water system against backflow. A brochure provided by NERWA will be included with your monthly billing that includes information about ways to help keep our water safe. There's no need to return this brochure as it's for information only. A survey will be mailed out in December of 2026 that will need to be returned as part of this requirement.

SUMMER BALL-STERLING YOUTH ASSOCIATION

Even though winter is still here, it's already time to start thinking about warmer days ahead! Summer ball registration will be opening soon, and we want families to be on the lookout for more information coming your way. Before we know it, the weather will warm up and the field will be full of kids playing ball, so now is a great time to start planning. Stay tuned for registration dates and details-we can't wait for another fun summer season!

NOTICE OF VACANCY-PLANNING COMMISSION

Notice is hereby given to all interested persons of one vacancy on the Planning Commission, of the Village of Sterling, Nebraska. Any person selected will serve until December, 2026 and then be up for reappointment. Any person interested in such vacancy must be residing within the Village of Sterling zoning district which includes a one-mile extraterritorial jurisdiction. All persons interested in being considered for such vacancy should submit their name in writing to the Sterling Village Clerk at P.O. Box 309, Sterling, Nebraska 68443.
