The Chairman's Corner,

July 4th is the day we celebrate our nation's independence! A day we celebrate the founding of our great nation! A day filled with events, speeches and fireworks! It was first made an official holiday in 1870 by Congress. President Washington in his farewell address said we should cherish our Constitution and he would carry it to his grave. I think it would be wise for us to adhere to this today given our current political environment! Other information around the Village: The E. Locust St. Bridge is moving along with construction in progress. Also, the Sterling Picnic was a great success and the grand opening of the Community Center notes a great accomplishment of the SCA and the citizens of our Village! Let's continue to work into the future and make it bright for our community! Keep smiling and enjoy the summer!

God Bless,

John Keizer, Chairman

All permits expire on December 31st of the current year.

STERLING VILLAGE LIBRARY UPDATES-Becky Barney

Our Summer Readers program is off to a flying start! Stop by and get signed up, if you haven't had a chance yet. Our Chat and Chuckle book club is ever expanding. We're looking at using other formats besides books, because there just aren't always enough out there for our ever growing group. And, speaking of other formats: Our Sterling Library now has two new tablets for patrons to use. If you hear a loud pop and see a small poof of smoke, don't worry it's just Becky Barney trying to learn how to be tech savvy. : / I would like to thank the person who made the generous donation that made it possible to have these tablets.

As always, thank you Sterling, for supporting your library.

UTILITY SUPERINTENDENT UPDATE-Spencer Pagel

A few weeks ago we were having some issues with the pumps at the sewer ponds. We called in an outfit to come look at the pumps and these are pictures we took of plumbing that moves the water to the ponds. I CANNOT stress this enough to not flush anything but toilet paper down the toilet. I know its hard to keep track of kids but if you can please make sure they aren't flushing anything that isn't supposed to flushed. It cost \$3,500 to have these guys come down and fix the issue we were having. Again, please only flush toilet paper.

Thank you
