YARD OF THE MONTH WINNER...

RAY & LISA STEINKUHLER

The Chairman's Corner

July is the month we celebrate the beginning of our nation. July 4th Independence Day will include many barbeques and plenty of fireworks! If you are doing your own fireworks, please be safe and fire them in an area that will not cause a fire or injury to anyone. But have fun and enjoy celebrating the beginning of our nation. Now, information from the village: We now have a new back up generator for our well so we do not need to worry about power outages and keeping the well operational. The Village is also working on installing water meters which will allow us to qualify for additional grants to help improve our water system. We are looking forward to a great summer for our Sterling community. So, my friends enjoy it and keep smiling as we move into the future. God Bless,
John Keizer, Board Chairman
