The Chairman's Corner

July is coming on strong with very high temps and storms! So, take care of yourself when outside: drink plenty of water and try to stay cool. The Village offices are always a place where one can cool off temporarily if needed during regular hours. Thank you for your patience while the street sealing was happening. They sealed two more streets in town which will give them additional longevity. Also, starting this July you will see some asphalt replacement on several streets, please be patient with the crews as they work. Also, enjoy the 4th of July as we celebrate our nation and what it stands for in the world and at home. However, please follow the regulations on fireworks. Thank you and have a good and safe time!

God Bless,

John Keizer, Board Chairman

Youth Sports Season Wrap-Up

Congratulations to the Sterling Rugrats, Modified, and 8U Baseball/Softball teams on a successful season! A special shout-out to the 8U Softball team for bringing home a plaque as **Silver Tournament Champions** — great job, girls!

Thank you to everyone who made this season a success.

We are grateful for the dedication of our coaches, parents, volunteers, Summer Recreation Director Rick Borrenpohl, and the Sterling Youth Association. Rick's hard work getting the fields ready throughout the season helped make it all possible.

A special thank you to Doug Schmidt — your help spreading material at the end of the season saved all the coaches' and volunteers' backs and was very much appreciated.

Thank you for supporting our young athletes and helping make this season fun, positive, and memorable!
