

Volume 60

June 2023

Welcome to
STERLING NEBRASKA
SMALL TOWN... BIG HEART

VILLAGE VIEW

The Chairman's Corner

The middle of 2023 is already here with the first day of official summer on June 21. We celebrate our community with Sterling Picnic Days on June 2, 3, & 4 and our fathers with Father's Day on June 18. Both are important times to give thanks for our community, our fathers and the life we live. Also Flag Day, so fly your flag on June 14 and show support of our nation. Now to additional community information: The contractor for the Broadway Bridge is scheduled to return in June to complete that project. Also, you may have noticed the new color to downtown Broadway Street. That is a pavement conditioner treatment that is supposed to give the asphalt another 6 – 8 years of life before needing replacement saving the Village money. We have a lot happening this month, so keep smiling and give thanks for our community of Sterling. God Bless,

John Keizer, Board Chairman

- ◆ Dan Fraley

NEW TREE WASTE AND BRUSH PILE OPENING SOON-SAMANTHA GORDON

The new location for the tree waste and brush pile will be ready to go soon. We've installed a tube for the driveway and waiting on rock. The new location is 73324 610.50 Ave. located about a quarter of a mile South of E. Locust Street on Main Street.

This new location is across the railroad tracks so please use caution when crossing since there are no cross arms at this location.

WATER METERS-SAMANTHA GORDON

The Village is in the process of ordering and getting water meters installed within the community. This is going to be a process but is required for the Village to be eligible for any grant opportunities that involve our water system and infrastructure. We will need everyone's participation to get through this process as it will involve access to basements for installation. We will give everyone plenty of notice when it comes to installation but wanted everyone to be aware.

CONCESSIONS HELP-SAMANTHA GORDON

If you have a student needing community service hours or are a group looking for an easy fundraiser let me know. We are looking for help during summer ball. Modified games are Sunday nights at 5:00pm through June. If you are interested let me know and I'll get you more details.

STERLING PUBLIC LIBRARY UPDATE-BECKY BARNEY

The Sterling Public Library is pleased to announce the establishment of our Teen Advisory Board (TAB). What an amazing group of people. Anyone who is a Freshman through Senior in High School is welcome to participate.

It is almost the Summer Reading Program time of year.

We look forward to having a great time.

The library youth garden club is up and running.

The next movie night will be the last Friday evening in June, so visit the library for more information and to see what will be playing.

And your library has had the honor of awarding the first annual Shirley L. Zink Memorial Scholarship.

Thank you Sterling, for supporting your library

The Village View can advertise local non-profit upcoming events. If a local organization has an event that they would like included in the Village View, please email: Samantha Gordon @ village.sterling@gmail.com.
