The Chairman's Corner

March is here and the weather has been great! Soon we will be enjoying the beauty of Spring. However, we still could get another taste of winter, so don't get too excited! One good thing is the Broadway Bridge is open (finally) for use. There still is some grading and seeding that needs to be done in the Spring. Summer ball is upon us and any child interested should contact the Village office and let Samantha know. She's in the process of setting up the teams. Celebrations this month include St Patrick's Day on the 17, the beginning of Spring on the 19, Palm Sunday on the 24 with Holy Week following, Purim begins on the 21, and Easter on the 31. So, my friends, enjoy the warm weather and look forward to the celebrations and the future of our community. Keep smiling.

God Bless,

John Keizer, Board Chairman
