The Chairman's Corner

March is coming into view and soon we will begin to see the seeds of Spring begin to grow and come to life as the first day of Spring is March 20th. Also, it's a time to celebrate Ash Wednesday the beginning of the season of Lent for Christians leading to Easter in April. Also, St Patrick's Day happens where the world turns green in some areas. Make sure you wear a little green on that day or you may be pinched. One thing not to forget is Daylight Savings Time begins on March 9th, so make sure and move your clock ahead and hour! The Village will be cleaning up from Winter and starting to work on projects such as park improvements including Pickle Ball courts, walking trail updating, additional street sealing and water system improvements. Keep smiling as we all work together to improve our community and ensure a great future.

God Bless,
John Keizer, Board Chairman
