The Village of Sterling has identified individuals who are using Village recycling and/or sanitation services without payment.

Monthly service rates are:

- Non-Residents (Recycling Only): \$13.50
- Residents (Recycling & Sanitation): \$27.50

All users must maintain an active, paid account. Failure to pay may result in service discontinuation and additional collection actions. If you are currently receiving services and have not established payment, please contact the Village office immediately to avoid interruption.

Thank you for your prompt attention.

The Chairman's Corner

March is happening and we begin to look for the beginning of spring! Plants will begin to sprout from the ground hopefully not too early as we can get a quick cold spell. Still signs of spring begin to appear! Also, Daylight savings time begins on the 8th. Remember to move your clocks forward 1 hour to catch that early sun! Also, Palm Sunday arrives on the 29th this year! Be ready to celebrate! The Village is also looking for new people to serve in several positions. If interested in helping the Village proceed into the future, please submit your name! Finally, as Spring arrives keep smiling and enjoy the good weather!

God Bless,

John Keizer, Board Chairman
