YARD OF THE MONTH IS BACK

We will be choosing a yard this month so please work to make your yard beautiful. If you have a suggestion on a yard please place in dropbox at the Village Office to be considered.

The Chairman's Corner,

The month of May is here and it contains two very important celebration days: Mother's Day and Memorial Day! Mother's Day is about giving thanks for the one that brought us into this world and nurtured us. Memorial Day is a day for us to give thanks for those that have gone before us and particularly those who served to assure our freedoms and liberty! May also brings the flowers pushing up from the earth giving us a sense of new life and beauty! Also, Sterling is doing well with vaccinations for Covid happening, the community center is open and being used, and the school track team is doing well! We have a lot to be thankful for as the weather warms, the grass grows and the planting of fields begins! Give thanks my friends for our community and keep working to make it better.

God Bless! John Keizer, Board Chairman
