The Chairman’s Corner

May has arrived and brings with it two major celebrations: Mother’s Day on the 11th where we give thanks for our mothers and honor them and Memorial Day on the 26th where we honor the men and women who have given their lives for our Nation. Also, look forward to our Sterling Days Celebration which will start on May 30th. Also, High School Graduation on May 14th. Enjoy and have fun. Other Village business includes the completion of the water system to the now development and the new well by the park. Also, street repair and sealing will be starting so please be aware and give the workers room. We also have youth ball teams playing at the park. Our Village is moving forward in many ways. Keep Smiling!

God Bless,

John Keizer, Board Chairman
