The Chairman's Corner,

November is upon us and we have already experienced our first snow! And that brings me to a point about moving vehicles off the street so the snow plows can effectively move the snow! So, please move them off the street if snow is in the forecast! Also, this is the time when we give thanks for all the blessings we have received this year! Now some would say 2020 has not brought many blessings! However, our village has not seen very many COVID 19 cases, we've had a few but not many, we celebrated 150 years of existence, the new community building is nearing completion, our football and volleyball teams are both in the playoffs, and we have experienced more family time! I would say those are blessings! So, my friends, give thanks, keep smiling and remember Christmas is only a month away! God Bless, John Keizer, Board Chairman

SCA COMMUNITY BUILDING UPDATE

Building Up

Sterling

The Sterling community building is in its final stages. Frontier Cooperative has donated the grass seed and Andy Thies has been working on planting it. Tile work on the inside has been completed and table and chairs have been ordered. The basketball hoops have been delivered and SCA is looking for sponsors for these, contact a member of the SCA if interested. The cabinets are being arranged and being prepared for installation. A double oven is being purchased and the floor is schedule for completion. Over \$487,000 has been raised and donations are still being excepted. Every little bit helps to finish this exciting project for Sterling NE. The SCA continues to accept donations to help finish its building goal. Donations can be made at the First Bank of Nebraska.

Special thanks to all those that have made donations to this building project already.
