EXTRA PRECAUTIONS IN SCHOOL ZONES

### The Chairman's Corner,

September is here, summer is coming to an end and we're celebrating Labor Day! School is starting and the weather is cooling down, at least a little! September is a month of changes which happen as we transition from summer into fall. This year is also a political transition year and we all are experiencing what that means! The phone calls and ads will continue into next year, so be patient and hopefully there will be a lull before we get to the next transition! Always remember we live in a great place, a place where we know our neighbors. A place where we help each other! A place where we can walk down the street and feel safe! Be proud my friends of the place we live! Keep smiling as we move into the future!

God Bless,

John Keizer, Board Chairman

## **STERLING PUBLIC LIBRARY-Becky Barney**

Summer reading program is wrapping up and schools back in session. With that don't forget we're here to help with homework during regular hours, and if you bring in homework you get a snack. If you would like to be a homework help volunteer, let Becky know.

As always we would like to thank all the volunteers and patrons for being involved with the Sterling Public Library.
