Chairman's Corner

I hope everyone had a great Thanksgiving with all the trimmings and if you are a shopper Black Friday to get a head start on all those special deals! Our weather has been great for our farmers and harvest is nearing its end. And we are moving into December with only a few days till Christmas. However, we all know what is coming and we need to prepare for it! Get those furnaces and smoke detectors checked and your vehicles ready! Also, when we do receive that white stuff please park your vehicles off the streets so our crew can get the streets cleared! This really helps! Stay warm, keep smiling and always remember what the Christmas season is truly about! Merry Christmas to all!
