Chairman's Corner

My friends, winter has finally arrived and we are experiencing cold, snow and slick roads! So, please be sure your vehicles and homes are prepared for this kind of weather. We do not want anyone freezing or crashing – so be careful and drive slow! Also, it helps the plows greatly if you keep all parked vehicles off the streets when it does snow. It makes it a lot easier to clear the stuff!! Also, I must apologize as I said last month we were starting a new century when we are really starting a new decade! Either way we are starting a new era of time, so make the most of it, be kind to a neighbor and help them out if needed, check on each other and don't forget February brings Valentine's Day! Do something nice for your partner or friend! A visitor told me the other day that he was very impressed with Sterling as he entered our fair village. That is a great complement! Be proud!

Keep Smiling, John Keizer, Chairman
