Chairman's Corner

A new year is upon us and also the beginning of a new century! However, let us take a quick look back at the last year 2019! We enjoyed several celebrations sponsored by the Sterling Community Association including Sterling Picnic Days with the car show, parade, street dance and plenty of good food and a circus came to town! Also several needed Village improvements were accomplished including street repair, sewer system improvements and the new community center building! A lot to be thankful for, but now we need to focus on the possibilities for 2020: completion of the community center, replacement of the Locust St. bridge, but most of all the celebration of Sterling's 150th Anniversary! 150 years of community pride! What an accomplishment to celebrate as we look to the future as we join together to make it a great 2020!
