May Yard of the Month Winner: Marilyn VanGroningen

Chairman's Corner

We are into our spring and summer months, and this also means thunderstorms, rain, hail and lightning! So, please listen and obey weather warnings during this time of year. Make sure you have a supply of water and food on hand to last you a couple of days if needed. The Village of Sterling has been lucky so far this year, and the worst storms have avoided us; but we cannot count on that happening all the time. We also celebrated our veterans who have given the ultimate sacrifice on Memorial Day with a great celebration, which included a fly by from the local National Air Guard. A fitting and awesome experience! I want to give a big thank you to the Ladies Cemetery Association for the great Memorial Dinner at the high school. Be safe, my friends, and enjoy the season!
